

Wetlands Consultant Information

There are numerous wetlands consultants in the Sacramento/Placer County area. You may wish to check the Yellow Pages under Environmental and Ecological Services. Your engineer or surveyor may recommend a wetland consultant.

The Army Corps of Engineers provides a Wetland Consultants List on line at www.spk.usace.army.mil/organizations/cespk-co/regulatory/consultants.html. Their list includes consultants who indicate that they can do delineations and have requested to be on their list.

On the back of this page is a list of consultants that is provided by Placer County.
